MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: U.S. Army Support Activity Area III, Policy Memorandum #53, Use of Beacon Hill Recreational Area

1. Beacon Hill is the area of the installation to the East of Freedom Road stretching from the Main Gate to the east end of the runway. Effective immediately, Beacon Hill is identified as a recreational park area for the installation. As such, it will not be used as a tactical training area in any manner. No tactical vehicles, equipment, tents, or activity will be allowed in the park area.
2. Use of the Beacon Hill Park for unit activities must be coordinated in advance with USASA DPTMS S-3 at 753-6089 located in Bldg 251, Post Headquarters.
3. Units needing training areas can use several excellent dedicated training areas located immediately south of the installation outside the CPX gate. These training areas are more effective and realistic training sites and require minimal coordination to obtain. Contact EUSA Range Management Branch at 753-7080/6374 to reserve an area.
4. Point of contact for Beacon Hill issues or reservations is Mr. Kevin Griess or Ms. Paek Chong - I at 753-6089.
